Terms of Service

1. Basic Service Prices.

Your rate plan will be as specified in your Welcome Letter or Electric Service Agreement.

Fixed Rate Plan: You will pay the fixed rate per kWh as specified in your Welcome Letter or Electric Service Agreement for the length of your Term. You may also pay a monthly administrative fee, the amount of which, if applicable, is disclosed in your Welcome Letter or Electric Service Agreement.

Variable Rate Plan: The rate per kWh may be adjusted monthly to reflect market conditions, including market pricing of commodity, transportation, profit, and other market price factors. Service continues on a month to month basis and may be cancelled by the Customer at any time without penalty.

Variable Rate electric service that includes a three-month introductory price, customers will pay the introductory rate(s) set forth above for the first three months of service; beginning in the fourth month of service, such customers will pay a price for gas and/or electricity determined according to the variable rate pricing method set forth above. SunSea will have the option, on notice to you, to adjust the Billing Quantity for fuel and line loss retained by your utility and interstate transporters from the Purchase Quantities. You are also responsible for paying all applicable taxes and fees. If you are tax exempt, you must furnish SunSea with an exemption certificate before service begins.

The rate you pay SunSea Energy will include the Generation Charge and Transmission Charge for services provided under this Agreement. Your price does not include applicable Maryland sales tax or any local tax. You are responsible for any and all taxes (whether passed through to you on EDC's bill as a separate line item or as part of the price of electricity, as required by law, rule or regulation) and EDC charges for delivery and distribution services. SunSea Energy rates are not regulated by the PSC. Except as otherwise provided in this Agreement or as required by law, all taxes of whatsoever kind, nature and description, due and payable with respect to your performance of your obligations under this Agreement, will be paid by you. If you are a tax-exempt entity, you must provide SunSea Energy with the necessary certificates and other documentation to qualify for such status.

2. Billing. Your EDC will continue to issue a monthly bill and the bill will include both SunSea Energy's charges and the EDC's delivery charges, and any other charges incurred in accordance with this Agreement. Your EDC may provide SunSea Energy your customer billing and payment information as part of the billing process. Bills will continue to be based on actual or estimated meter readings. SunSea Energy will use the same meter reading information from the EDC to derive your Generation Charges. Unless

Maryland 100% RESIDENTIAL Renewable Green Month to Month

otherwise provided herein, your payment terms will be governed by the terms of the EDC's tariff. SunSea Energy does not pay or arrange for the payment of any outstanding debts owed by you to the EDC or a previous electric supplier.

3. Length of Agreement (Term). The Term of this Agreement is as specified on your Welcome Letter or Electric Service Agreement. With the exception of a new meter installation or special meter reading date, you will buy your electric generation service for the service addresses set forth in your Welcome Letter or Electric Service Agreement from SunSea Energy on the next regularly scheduled meter reading date available and will continue to do so for the entire Term. This Agreement shall remain in effect until you notify SunSea Energy in writing or by phone of your intent to cancel at least 30 days prior to your requested end date and until such time as the EDC completes the termination in accordance with its rules.

4. Penalties, Fees and Exceptions.

You may be assessed an early termination fee if you cancel or terminate this Agreement prior to the end of the Term. If an early termination fee is applicable, the amount of the early termination fee will be specified in your Welcome Letter or Electronic Service Agreement.

Notwithstanding the foregoing, you may cancel this Agreement without penalty if you move to another location and provide a forwarding address and, if required, reasonable evidence that you no longer occupy the service address. You will be responsible for amounts due, up to the switch date, of all outstanding charges incurred prior to cancellation by you.

If you default in the prompt payment of amounts due under this Agreement, you will be liable for any and all fees or charges, including reasonable attorney fees and court costs, incurred in connection with the collection of delinquent balances. SunSea Energy may use the services of debt collection agencies, consumer reporting agencies, and other remedies as allowed by law to collect any unpaid balances on your account.

5. Cancellation Provisions. You may cancel this Agreement without any penalty any time before midnight of the third business day after you receive this disclosure statement. After such third business day, you may cancel this Agreement at any time by calling SunSea Energy at 1-844-277-7517, but you will be required to pay the early termination fee described in Section 4 above, if applicable. If you request to cancel this Agreement, the cancellation will not take effect until the next actual meter read date following the date SunSea Energy notifies your EDC. You will be responsible for all payments due hereunder until the cancellation of electric generation service is completed. If for any reason SunSea Energy is no longer able to economically continue this Agreement, SunSea Energy may terminate this Agreement at any time after complying with applicable regulations. This Agreement may be cancelled at the sole discretion of SunSea Energy if you fail to meet any of the terms and conditions of this Agreement or if any of the information you have provided to SunSea Energy is or becomes untrue. Prior to cancellation of this Agreement, SunSea Energy will provide 45 days notice of its intent to cancel to the customer service address listed in this Agreement. Upon early termination of this Agreement by SunSea Energy, your available remedies will be limited as provided in Sections 10, 11, and 12 of this Agreement. If this Agreement is canceled, expires, or otherwise terminated, you will receive uninterrupted service from the EDC until you designate another provider of electric generation service or service is shut off by the EDC. Only the EDC may shut off your electric power.

6. Agreement Expiration/Change in Terms. If you have a fixed term agreement with us and it is approaching the expiration date, or if we propose to change our terms of service, we will send you advanced notice either in your bill or in separate mailings 45 days before either the expiration date or the effective date of the changes. We will explain your options in this advanced notice, including your right to cancel this Agreement without penalty upon expiration of your fixed rate. SunSea Energy will provide written notice to you, free of charge, and a copy of any material change to this Agreement prior to the date any such change becomes effective. Upon receipt of written notice of a material change, you may terminate this Agreement without penalty prior to the date such change becomes effective.

After notifying you of an approaching expiration, we will follow your instructions. If you do not respond to the notice, at its discretion, SunSea Energy may renew your electric generation service under the rates described in your expiration letter.

7. Information Release and Authorization. By accepting this contract I authorize SunSea Energy to obtain information from the utility through the term including, but not limited to, account name, account number, billing address, service address, telephone number, standard offer service type, historical and future electricity usage, rate classification, meter readings, characteristics of electricity service, and when charges under this agreement are included on my Utility bill or other billing and payment information from the Utility. I authorize SunSea Energy to release that information to third parties who need to use or be aware of such information in connection with my electric generation service, as well as to its affiliates and subcontractors for marketing purposes. These authorizations shall remain in effect as long as this agreement (including any renewal) is in effect. I may rescind these authorizations at any time by either calling SunSea Energy at 1-844-277-7517 or providing written notice to SunSea Energy. SunSea Energy reserves the right to reject my enrollment or terminate the agreement if I rescind these authorizations, if I fail to meet or maintain satisfactory credit standing as determined by SunSea Energy, or if I fail to meet minimum or maximum threshold electricity consumption levels as determined by SunSea Energy, If I fail to remit payment in a timely fashion, SunSea Energy may report the delinquency to a credit reporting agency.

8. Dispute Procedures. Contact us with any questions concerning our terms of service. You may call the PSC if you are not satisfied after discussing your terms with us. PSC contact information is provided at the bottom of this Agreement for your convenience.

9. Warranties. SUNSEA ENERGY MAKES NO REPRESENTATIONS OR WARRANTIES, EITHER EXPRESSED OR IMPLIED, WITH REGARD TO THE PROVISION OF ELECTRIC GENERATION SERVICE AND DISCLAIMS ANY AND ALL WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF ANY COURSE OF DEALING OR USAGE OF TRADE.

Maryland 100% RESIDENTIAL Renewable Green Month to Month

10. Limitation of Liability. You will be deemed to be in exclusive control (and responsible for any damages or injury caused thereby) of the electric power after receipt at the delivery point or points. SUNSEA ENERGY WILL NOT BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES (INCLUDING LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES), WHETHER BY STATUTE, IN CONTRACT OR TORT, EVEN IF THE RESULT OF NEGLIGENCE (WHETHER SOLE, JOINT, CONCURRENT, ACTIVE OR PASSIVE). ALL OTHER LIABILITY WILL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY, AND SUCH DIRECT ACTUAL DAMAGES WILL BE THE SOLE AND EXCLUSIVE REMEDY. YOU HEREBY WAIVE ALL OTHER REMEDIES AT LAW OR IN EQUITY. THERE ARE NO THIRD PARTY BENEFICIARIES TO THIS AGREEMENT. To the extent any damages required to be paid hereunder are liquidated, the parties acknowledge that the damages are not intended and shall not be construed as a penalty, such damages are difficult or impossible to determine, that otherwise obtaining an adequate remedy is inconvenient or impossible, and that the liquidated damages constitute a reasonable approximation of the harm or loss.

11. Mandatory Arbitration. Any claim, dispute or controversy, regarding any contract, tort, statute, or otherwise ("Claim"), arising out of or relating to this agreement or the relationships among the parties hereto shall be resolved by one arbitrator through binding arbitration administered by the American Arbitration Association ("AAA") under the AAA Commercial or Consumer rules, as applicable, in effect at the time the Claim is filed ("AAA Rules"). Copies of the AAA Rules and forms can be located at www.adr.org, or by calling 1-800-778-7879. The arbitrator's decision shall be final, binding, and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction. This clause is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act. Neither party shall sue the other party other than as provided herein for enforcement of this clause or of the arbitrator's award; any such suit may be brought only in Federal District Court for the district in which you are located, or if any such court lacks jurisdiction, in any state court that has jurisdiction. The arbitrator, and not any federal, state or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Agreement including any claim that all or any part of the Agreement is void or voidable. However, the preceding sentence shall not apply to actions contemplated in Paragraph 12. entitled "Class Action Waiver" below.

12. Class Action Waiver. Any Claim permissible herein must be brought in the party's individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiff, or similar proceeding ("Class Action"). Each of the parties expressly waives any ability to maintain any Class Action in any forum. The arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class Action nor make an award to any entity or person not a party to the arbitration. Any claim that all or part of this Class Action Waiver is unenforceable, unconscionable, void, or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator. THE PARTIES UNDERSTAND THAT THEY WOULD HAVE HAD A RIGHT TO LITIGATE THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE THEIR CASE INDIVIDUALLY OR TO BE PARTY TO A CLASS OR REPRESENTATIVE ACTION, HOWEVER, THEY UNDERSTAND AND CHOOSE TO HAVE ANY CLAIMS DECIDED INDIVIDUALLY THROUGH ARBITRATION.

13. Miscellaneous.

(a) If SunSea Energy is rendered unable to perform, in whole or in part, by a Force Majeure event, its performance under this Agreement will be excused for the duration of such event. "Force Majeure" means any act or event that is beyond the reasonable control of SunSea Energy that adversely affects, interrupts, or precludes its performance. In addition, acts of other parties, including without limitation, RTOs, aggregators, other suppliers, qualified scheduling entities, EDCs, any governmental authority, and the respective employees and agents of such parties, will also be deemed to be events of Force Majeure.

(b) Your electric generation service will be provided in accordance with your existing connection requirements unless you request a change by the EDC and pay for the cost of that change. You may not resell or use any electric power provided under this Agreement as an auxiliary or supplement to any other source of power. The supply of electric power under this Agreement will be measured at the delivery point by the EDC providing the delivery service in accordance with the terms of the applicable tariff for electric generation service. SunSea Energy and you will be bound by the measurement from the meters owned, installed, maintained and read by the EDC.

(c) This Agreement will be governed by, interpreted, construed and enforced in accordance with the laws of the State of Maryland, without regard to principles of conflicts of law.

(d) These Terms of Service, along with your Welcome Letter or Electric Service Agreement, constitute the entire agreement between you and SunSea Energy relating to the subject matter hereof and supersede any other agreements, written or oral, between you and SunSea Energy concerning the subject matter of the Agreement.

(e) You may not assign this Agreement or your obligations under this Agreement without SunSea Energy's prior written consent. SunSea Energy may assign this Agreement, together with all rights and obligations hereunder, to (i) SunSea Energy's electricity supplier, or such supplier's designee, (ii) an affiliate of SunSea Energy or to any other person succeeding to all or substantially all of SunSea Energy's assets, or (iii) in connection with any financing or other financial arrangement.

(f) Any failure by SunSea Energy to enforce any term or condition of your electric generation service or otherwise exercise any right it may have under this Agreement will not be deemed a waiver of any rights to thereafter enforce any or all of the terms or conditions of your service or to exercise rights under this Agreement.

(g) Should any provision of this Agreement for any reason be declared invalid or unenforceable by final and applicable order by a court or any regulatory body having jurisdiction, such decisions shall not affect the validity of the remaining portions, and the remaining portions shall remain in effect as if this Agreement had been agreed to without the invalid portion. If any provision of this

Maryland 100% RESIDENTIAL Renewable Green Month to Month

Agreement is declared invalid, the remainder of this Agreement will be construed so as to give effect to its original intent and effect as near as possible.

(h) The provisions of this Agreement concerning payment, limitation of liability, waivers, arbitration and waiver of class actions will survive the termination or expiration of this Agreement.
