Variable Rates change at the Company’s discretion and may be higher or lower each month based on business and market conditions. Variable Rates are set at the Company’s discretion and may vary based on several factors, including the Company’s assessment of applicable market and business conditions, operation costs, historic and projected supply and hedging costs, balancing costs, utility price to compare, ancillary services, ISO costs, capacity costs, transmission costs, line loss costs, RMR costs, credit costs, balancing costs, winter reliability costs, and costs associated with meeting any applicable renewable portfolio standards, and a profit margin determined in the Company’s discretion that may vary from month to month. Service continues on a month-to-month basis and may be cancelled by the Customer at any time without penalty.

The rate you pay SunSea Energy will include the Generation Charge and Transmission Charge for services provided under this Agreement. Your price does not include applicable Ohio sales tax or any local tax. You are responsible for any and all taxes (whether passed through to you on EDU’s bill as a separate line item or as part of the price of electricity, as required by law, rule or regulation) and EDU charges for delivery and distribution services. SunSea Energy rates are not regulated by the PUCO. Except as otherwise provided in this Agreement or as required by law, all taxes of whatsoever kind, nature, and description, due

and payable with respect to your performance of your obligations under this Agreement, will be paid by you. If you are a tax - exempt entity, you must provide SunSea with the necessary certificates and other documentation to qualify for such status.

2. Billing. Your EDU will continue to issue a monthly bill and the bill will include both SunSea Energy's charges and the EDU's delivery charges, and any other charges incurred in accordance with this Agreement. Your EDU may provide SunSea your customer billing and payment information as part of the billing process. Bills will continue to be based on actual or estimated meter readings. SunSea Energy will use the same meter reading information from the EDU to derive your Generation Charges. Unless otherwise provided herein, your payment terms will be governed by the terms of the EDU's tariff. SunSea Energy does not pay or arrange for the payment of any outstanding debts owed by you to the EDU or a previous electric supplier.

3. Length of Agreement (Term). Company will begin supplying your Services when the Utility switches your account to Company. Your Agreement will continue for the Term specified in the Enrollment Documentation or herein. Service shall begin with the next available meter reading after processing of the request by the EDU and SunSea Energy. With the exception of a new meter installation or special meter reading date, you will buy your electric generation service for the service addresses set forth in your Welcome Letter or Electric Supply Agreement from SunSea Energy on the next regularly scheduled meter reading date available and will continue to do so for the entire Term. Typically, it takes one to two billing cycles for your Service to be switched from your Utility to the Company, but there may be a delay before the Utility Switches Services, and you understand that Company is not responsible for any such delays. This Agreement shall remain in effect until you notify SunSea Energy in writing or by phone of your intent to cancel at least 30 days prior to your requested end date and until such time as the EDU completes the termination in accordance with its rules.

4. Penalties, Fees and Exceptions.

You may be assessed an early termination fee if you cancel or terminate this Agreement prior to the end of the Term. If an early termination fee is applicable, the amount of the early termination fee will be specified in your Welcome Letter or Electric Supply Agreement.

Notwithstanding the foregoing, you may cancel this Agreement without penalty if you move to another location and provide a forwarding address and, if required, reasonable evidence that you no longer occupy the service address. You will be responsible for amounts due, up to the switch date, of all outstanding charges incurred prior to cancellation by you. If you default in the prompt payment of amounts due under this Agreement, you will be liable for any and all fees or charges, including reasonable attorney fees and court costs, incurred in connection with the collection of delinquent balances. SunSea Energy may use the services of debt collection agencies, consumer reporting agencies, and other remedies as allowed by law to collect any unpaid balances on your account.

5. Cancellation Provisions.

You may cancel this Agreement without any penalty any time within seven (7) calendar days of the postmark date on the EDU's confirmation notice. After such, you may cancel this Agreement at any time by calling SunSea Energy at (844) 277-7517, but you will be required to pay the early termination fee described in Section 4 above, if applicable. If you request to cancel this Agreement, the cancellation will not take effect until the next actual meter read date following the date SunSea Energy notifies your EDU. You will be responsible for all payments due hereunder until the cancellation of electric generation service is completed. If for any reason SunSea Energy is no longer able to economically continue this Agreement, SunSea Energy may terminate this Agreement at any time after complying with applicable regulations. This Agreement may be cancelled at the sole discretion of SunSea Energy if you fail to meet any of the terms and conditions of this Agreement or if any of the information you have provided to SunSea is or becomes untrue. Prior to cancellation of this Agreement, SunSea Energy will provide 45 days' notice of its intent to cancel to the customer service address listed in this Agreement. Upon early termination of this Agreement by SunSea, your available remedies will be limited to the provisions of this Agreement.

5a: Termination for Failure to Pay. Failure to pay your bill may result in the disconnection of Services in accordance with the Utility's policies and rules, and this Agreement may be automatically terminated. Company may terminate this Agreement on at least fourteen (14) calendar days written notice to you should you fail to pay your bill or fail to meet any agreed-upon payment arrangements with the Company.
